## **Golf Group Package**

Contact Stone Tree today and bring your Golf Group to us for a day of fun and great golf. Stone Tree towers above other golf facilities in this part of Ontario. We are the only facility in the Georgian Bay area where you can experience the best of golf, physical fitness and casual dining, all in one first class facility. Our practice facility is considered the best in the area, features a spacious driving range that allows golfers to hit from natural grass tees towards natural grass target greens. You can practice your short game from the chipping and pitching area, hit bunker shots and warm up the putter on our practice green. Stone Tree is a public golf course and we invite everyone to come and enjoy an experience with us!

### **THE DIFFERENCE BETWEEN A \*GOLF GROUP AND A \*GOLF TOURNAMENT**

At Stone Tree a Golf Group is a group of 12 to 24 golfers, who do not make any organized and contracted commitment for food and beverage. A golf tournament is typically a larger group and has organized catered food and beverage in one of our various catering spaces. For example, the ballroom or marquee. We have created these special Golf Group package offerings just for you.

### **Every Player in Your Group Receives:**

## Golf Group Booking Process

- Call the Pro Shop at 519-376-7899 Ext #110 or email us at [stephen@stonetree.ca](mailto:stephen@stonetree.ca) to book your Golf Group today.
- A credit card is required at the time of booking to formally reserve the tee times.
- Five days prior to your tee time, you will need to confirm the number of golfers that are going to be playing.
- This is the number that will be charged on the day of group play. The green fees for any players short from the 5 day confirmation number will be charged to the credit card on file the day of play. This only happens if that shortfall creates a tee time that cannot be resold by Stone Tree. The group will be reimbursed the value of these green fees charged via rain checks.
- Golf Group package benefits are not available nor can be used towards a Golf Group event with organized food and beverage served in a private space.
